Church**
- **June 7th Last
Day of School
Closing Chapel
4K/5K
Graduation
Noon Dismissal**
- **June 9th-13th
Vacation Bible
School**

Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

Memory: They final memory schedule went home with students on Wednesday. They will have memory Monday and Tuesday next week, but not on Wednesday or Thursday.

Science Houses: The students put some great work into wiring and decorating their houses for science. The houses will be on display on Sunday, and they can be taken home afterwards or next week.

Religion: In religion, we recently studied Pentecost and talked about the work of the Holy Spirit. Students created outlet covers to help remind us that the Holy Ghost keeps us "plugged in" to God.

Language Arts: In language arts our classes have been working on writing letters. The 3rd-4th graders are currently working on letters to their favorite authors while the 5th graders finished up a letter project last week. 5th grade is also currently working on persuasive writing.

Picnic/Singing in Church: We will be singing in church this Sunday. The service will be held in the gym, and students should meet in Mrs. Schneider's room by 9:15. This is also 8th grade graduation and our end-of-the year picnic. We hope to see you all there.

Thank You: Thank you to all of you for making this a wonderful school year. I feel truly blessed to be a part of the St. Paul community. Have a wonderful summer!

Blessings on the rest of your week!

In Christ,
Miss Bernau
